### Product Description

## Kayo PREDATOR 110 Sport ATV

#### ADDITIONAL FEATURES

This Predator 110 is based off one of our most successful ATVs, the Predator 125. Underneath is a proven 4-stroke engine that delivers great power for young (6+ years old) riders. The Predator also has a reverse gear and an electric starter! Great suspension and our in-house designed frame, strong and light weight, round out the package. The Predator 110 is covered by a 6-month limited warranty.
