Product Description

Kayo PREDATOR 125 EFI Sport ATV

ADDITIONAL FEATURES

The Predator 125 EFI is back and better than ever! Featuring upgraded clutch components, a fuel-injected engine for smoother power delivery, an LCD display, and more aggressive tires, this sport ATV is built for adventure. New rubber-mounted plastics in the footpeg area enhance durability, while its proven 4-stroke engine, reverse gear, and electric start make it a top choice for young riders (10+). With a lightweight, in-house designed frame and premium suspension, the Predator 125 EFI is ready to dominate the trails. Covered by a 6-month limited warranty.
