### Product Description

## Kayo STORM 150 EFI Sport ATV

#### ADDITIONAL FEATURES

The Storm 150 is a great unit for large teenagers right up to adults. A low maintenance 4-stroke engine delivers great power. No clutch needed to shift, the Storm 150 has a semi-automatic 3-speed transmission with reverse! Suspension offers easy steering yet soaks up gnarly terrain. The frame is strong and stable yet remains light weight. The Storm 150 is covered by a 6-month limited warranty.
