### Product Description

## Kayo BULL 110 Utility ATV

#### ADDITIONAL FEATURES

The Bull 110 is based on one of our most successful ATVs, the Bull 125. Underneath, it features a proven 4-stroke engine that delivers excellent power for young riders aged 6 and up. The Bull 110 also comes equipped with a reverse gear and an electric starter for easy operation. With great suspension and a strong, lightweight frame designed in-house, this ATV is built for both fun and durability. The Bull 110 is backed by a 6-month limited warranty.
