Product Description

Kayo TT 125 Pitbike

ADDITIONAL FEATURES

Ready for action? So is the TT 125. Ease out the clutch on this 4-speed manual and hang on! Inverted forks and a compatible rear shock have you covered. Large brakes handle the stopping chores. The TT 125 comes with full size 17 and 14 inch wheels, a 33.6 inch seat height and weighs just 161 pounds. Electric and kick start.
