### Product Description

## Kayo K2Pro Dirtbike

#### ADDITIONAL FEATURES

Introducing the K2Pro—the next evolution in entry-level dirt bikes, building on the success of the popular K2 model. With a larger 250cc air-cooled 4-stroke engine, the K2Pro delivers more power and performance while maintaining the smooth, predictable delivery that riders love. The increased suspension travel makes it even more capable on tough trails, absorbing bumps and jumps with ease. Paired with a 5-speed transmission, this bike offers a wide torque range that lets you conquer any terrain. The K2Pro is ready for your next adventure!
