Product Description

Hisun Guardian 400 ATV

The Guardian 400 is a rugged, all-terrain ATV built for both work and adventure, combining tough performance with modern technology. It features a 7" full-color LCD display with digital rider information for enhanced visibility and control. With selectable 2WD/4WD, hand guards, front and rear racks, a 2,500 lb. winch, LED high/low beam headlights, and integrated turn signals, the Guardian 400 is ready for any challenge—day or night.
