Product Description

Hisun Guardian 400L ATV

The Guardian 400L is a versatile, all-terrain ATV designed for two riders, offering the perfect blend of performance, comfort, and modern features. It comes equipped with a 7" full-color LCD display providing digital rider information for clear, at-a-glance control. With selectable 2WD/4WD, a comfortable passenger backrest, hand guards, front and rear racks, a 2,500 lb. winch, LED high/low beam headlights, and integrated turn signals, the Guardian 400L is built to handle any terrain—comfortably and confidently.
