Product Description

Hisun Guardian 550L ATV

The Guardian 500 is a powerful, all-terrain 2-up ATV designed for performance, comfort, and advanced functionality. It features a 7" full-color LCD display with digital rider info, selectable 2WD/4WD, and Electric Power Steering (EPS) for smooth, responsive handling. Built for two riders, it includes a comfortable passenger backrest, upgraded aluminum wheels, hand guards, front and rear racks, a 2,500 lb winch, LED high/low beam headlights, and integrated turn signals—making the Guardian 550L ready for any adventure.
