Product Description

Bighorn 650 B UTV

Meet the Bighorn Denali 650 B UTV, your ultimate solution for uncompromising performance in heavy-duty agricultural tasks, land management, hunting, and construction site management. Engineered to dominate the toughest terrains, this powerhouse is driven by a robust V-Twin 649cc, 51 HP engine, delivering the reliable torque you need to tackle the most demanding jobs from dawn to dusk.

Built for serious work and rugged outdoor pursuits, the Denali 650 B boasts a massive 1,320 lb towing capacity to haul heavy gear, feed, or building materials effortlessly. It doesn't just work hard; it works smart. The selectable Turf Mode protects delicate landscapes, while premium factory accessories—including a durable glass windshield, a protective full front bumper, and a convenient electric parking brake—ensure you ride in maximum safety and comfort.
